

QUEENSLAND MAJOR
CONTRACTORS ASSOCIATION

Training Policy

The objectives of the Training Sub-committee are to:

- Build QMCA's profile as an industry leader via providing support for key initiatives which positively assist and raise the profile of the construction sector in Queensland.
- Deliver industry intelligence to assist the Queensland government and stakeholders deliver targeted skilling initiatives to the construction sector.
- Build capacity within the construction sector via consulting with industry, VET and higher education stakeholders to ensure relevant high quality training is available to the construction industry.
