

An aerial photograph of Brisbane, Australia, at sunset. The city skyline is visible with numerous skyscrapers and buildings. The Brisbane River flows through the center of the city. A bridge crosses the river, and a road with traffic is visible in the foreground. The text "CROSS RIVER RAIL" is overlaid in large white letters, with a horizontal line underneath it. Below this, the text "State Defining Project" is also in large white letters. The bottom left corner features a green geometric pattern.
