COVID-19 Update

Matthew Smith, Principal Lawyer
Head of Employment, Safety & Regulatory

How should an employer respond if an employee is diagnosed with the virus?

When does the WHS Regulator have to be notified?

Is it a reasonable lawful direction to require employees to work in the office in the current environment?

How should employees returning from overseas be paid as a result of a requirement to self-isolate?

Can employees required to look after children due to school closures take personal / carer's leave?

Questions?

Thank you
