

Queensland Major Contractors Association

Membership Prospectus 2020-2021

**QUEENSLAND
MAJOR
CONTRACTORS
ASSOCIATION**

Our Story

The Queensland Major Contractors Association (QMCA) is the construction industry peak body representing Queensland's leading construction companies and their essential partners and suppliers.

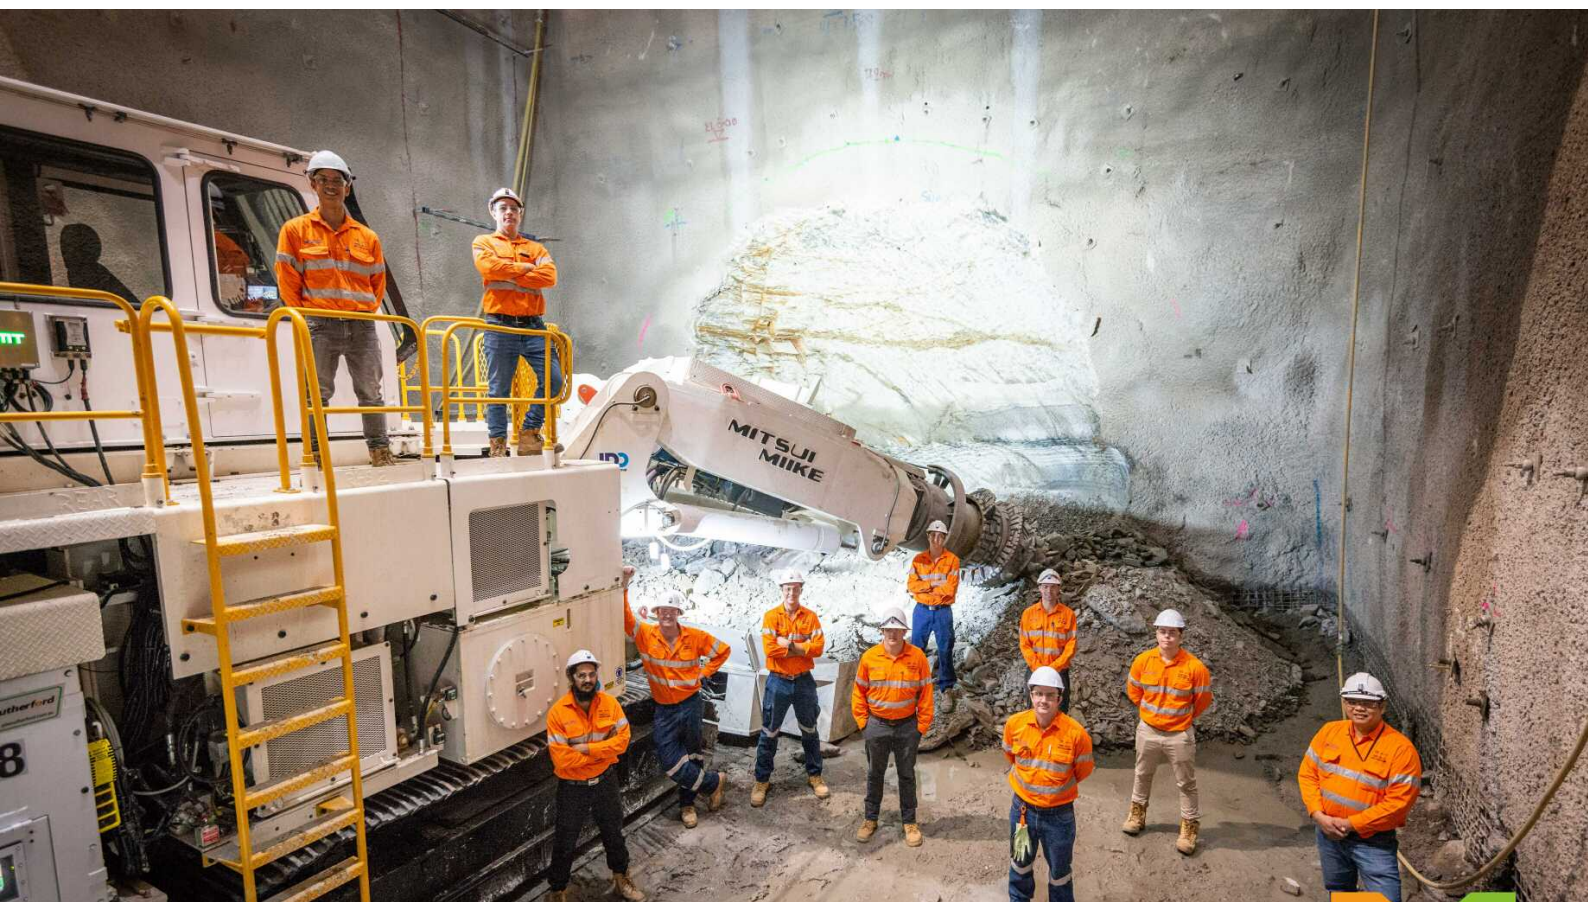

We are dedicated to making the infrastructure industry safer, more efficient, more competitive and better able to contribute to the development of Queensland and Australia.

QMCA's current membership includes the top-performing construction companies in Queensland, which together account for approximately 70-80% of the construction and civil engineering work in the State.

Queensland's construction contractors are vital to the community, creating the infrastructure needed to underpin a fast-moving, flexible economy and our contemporary lifestyles. Every household and every business is dependent to some degree on their efforts.

The construction industry is one of the State's largest employers, employing nearly a quarter of a million people and our world-leading contractors export technical excellence around the globe.

The QMCA has a crucial role in representing its members' views on policies, inquiries and other government initiatives that affect the industry, in order to contribute to balanced policy making and better outcomes.

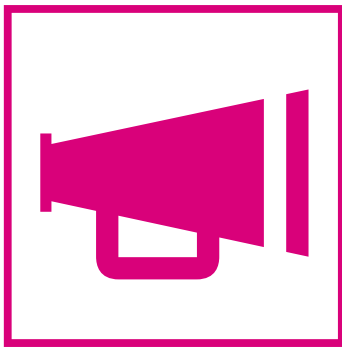

Strategic Priorities

Our activities are guided by our Strategic Plan, which is a response to the challenges that the Queensland construction industry faces in the next 3–5 years and takes into account our potential strengths as an organisation, as well as the areas where we need to improve our capabilities.

The QMCA is a strong industry voice on construction issues and a promoter of the industry's professionalism and growth.

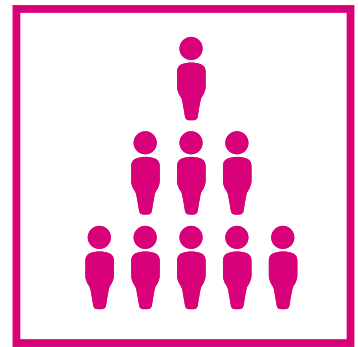

Become the trusted voice to advocate for and promote our industry.

Consistent, Balanced,
Sustainable.

Effective and targeted engagement with all our stakeholders and industry partners.

Actively working to support resource capability and capacity in industry.

Now and into the future.

Our Board

The QMCA is governed by a Board comprising a Chair, Deputy Chair, Secretary, Treasurer and Board Members.

Current board members include:

- John Kirkwood - Chair - Seymour Whyte
- Monica Chaplin - Deputy Chair - John Holland
- Dale Gilbert - Secretary - Ghella
- Gillian White - Treasurer - CPB
- Anthony Birkett - Monadelphous
- Scott Criddle - Decmil
- Tino Ferrero - Lendlease
- Paul Milne - Laing O'Rourke
- Ivor Peries - Clough
- Jose Antonio Sanchez - Acciona
- Brett Smiley - Fulton Hogan
- Mark Taylor - McConnell Dowell
- Terry Waterson - BMD

They are supported by:

- Jon Davies - CEO
- Lorelei Broadbent - Secretariat
- Michael Creedon - Probity Lawyer

Key Activities

QMCA exists to support, advocate and champion the needs of our members in Queensland and to create a competitive and sustainable industry that delivers essential infrastructure needed by Queensland to support economic and societal well-being.

Networking and Industry Events

From virtual breakfasts to end of year social events, QMCA has a packed events program to educate, inform and inspire our members while providing fantastic opportunities to grow networks and make business connections.

Queensland Major Projects Pipeline Report

QMCA co-authors the Queensland Major Projects Pipeline report; the definitive guide to the pipeline of projects scheduled for Queensland. The report is a mainstay of government policy and media commentary, acting as the gauge of industry growth and sustainability.

Awards For Excellence

Each year, QMCA recognises and celebrates the people and projects that shape our sector. With awards spanning seven categories and a gala long-lunch, the awards are our industry's must attend event.

Advocacy and Industry Engagement

QMCA ceaselessly advocates for our sector on the issues that matter to our members. We engage with all levels of government to promote infrastructure and are represented on steering committees and regularly author reports and papers through our working groups.

Working Groups

QMCA's working groups exist to help shape policy and to analyse the critical issues of importance to our sector. Headed up by a member of the QMCA board and drawn from our membership base groups meet regularly to help drive the agenda of our organisation's advocacy.

Working Groups and Collaboration

QMCA's working groups have been at the forefront of policy development and ensuring that our sector is more sustainable now and into the future. They have authored papers and reports into The Future of Work, COVID-19 Industry Response and collaborated with all stakeholders in our sector as we make the case for positive change in construction.

Representation

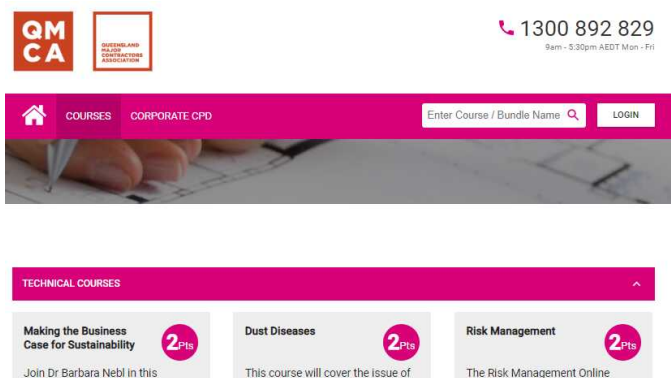

We have been on the front foot to represent our members with every tier of government and policy makers. From liaison with Ministers in Canberra through to representation at the state budget lock up, QMCA has worked tirelessly to advocate for our members' interests. Our media presence has never been greater as we champion our sector in print, radio and on TV.

Events and Engagement

Through our events we have educated, informed and inspired our members. Through breakfasts, awards, networking events and virtual broadcasts we have connected with over 3,000 event attendees in the last 12 months.

Initiatives and Partnerships

To meet the needs of our membership, QMCA is continually striving to enhance our membership offering through access to resources, services and tools that help you to manage your business, projects and people. In the last 12 months we have launched expert panels, training services and more.

Membership Fees - \$19,800 +GST

Membership

Membership to QMCA represents an outstanding investment, providing your business and team with access to events, resources, networking, as well as representation by your peak body. The QMCA membership year runs from 1 July to 30 June of each year. A renewal invoice is sent to each member in late June. New members fees are pro-rated to the month joined.

Executive General Membership

Executive General Membership is open to Major Contractors in Queensland, organisations who regularly deliver projects of over \$100m in value. Membership includes a number of benefits such as a position on the QMCA board enabling your organisation to be at the forefront of our industry in Queensland.

Testimonials

Our members tell the story of the value of QMCA membership far better than we do, here is what they say.

QUICKSAFETY

Kurt Alexander - CEO - Quick Safety

QMCA has been an amazing source of current news, proactive measures, industry discussion, advocacy, and more importantly collaboration within the entire major Contractors Industry. Quick Safety looks forward to a long membership with QMCA and considers it a vital part of our innovative products success within Queensland.

Madsen Giersing

The innovators in engineering design

Lasse Madsen - Operations Manager - Madsen Giersing

Membership to QMCA is essential for Madsen Giersing. It enables us to maintain connections with our clients and to build new networks and relationships with key stakeholders from across our sector.

Tim Alexander - National Product Manager - Pumps United

Since becoming a member of the QMCA, Pumps United have enjoyed both a positive and constructive working relationship with the group. It has enabled Pumps United to have input in trying to shape and improve the construction industry in QLD moving forward.

Pumps United have had two of our senior members sitting on two separate QMCA working committees addressing and working through everyday issues the construction industry in Queensland are exposed to and allowed us to be part of the solution. It has also enabled Pumps United to form excellent working relationships and networking opportunities across a very broad group from safety and commercial tier 1 managers through to fellow contractors within the industry.
