

Awards Sponsorship Prospectus 2023

Connect your brand with Queensland's Major Contractors

Engaging

QMCA is the peak industry body for the contracting industry in Queensland. We are dedicated to making the construction industry safer, more efficient, more competitive and better able to contribute to the development of Queensland and Australia.

QMCA's current membership includes the top-performing construction companies in Queensland, which together account for approximately 70-80% of the construction and civil engineering work in the State.

As an association we are committed to driving value for our members, engagement across our industry and opportunities for collaboration at every turn. As part of our engagement program, QMCA hold a regular series of events that provide brands with an exceptional range of opportunities to directly connect with and influence our members, stakeholders and the wider industry.

Within the prospectus, we have detailed the opportunities that your brand has to become a champion of our sector, known for your commitment to the industry and the people who ensure its success.

Our Audience

Through a highly proactive approach to marketing, communication and engagement, we have built an enviable audience who are connected with our brand, value our information and actively participate across social media and events.

- Senior Decision makers and influencers from Contracting and Construction
- Over 3,500 Event Attendees per annum
- Active Traditional and Social Media Profiles
- Members include McConnell Dowell, Seymour Whyte, John Holland, BMD, Acciona, Bielby and more.
- Associates include Boral, CBUS, Holcim, GHD, Bennett + Bennett, Coffey Testing, Kennards Hire
- Events incorporate, breakfasts, debates, awards and galas in Brisbane and regionally.
- LinkedIn reach through 10,000 followers to over 70,000 connection impressions per month.

Opportunity

QMCA's Innovation and Excellence awards are our industry's major celebration as we recognise the people, projects and innovations that define our success.

Taking place on 16 February 2024 and spanning 8 categories, over 500 senior leaders, decision-makers and industry professionals will pack Brisbane Convention and Exhibition Centre to be part of this outstanding event.

Awards and Timelines

This year's awards are:

- **Ian Harrington Collaboration Award** – This award recognises outstanding collaboration across construction and includes project teams, client/contractor partnerships, and supply chain partnerships.
- **Dale Gilbert Lifetime Achievement Award** – This award recognises the contribution Dale Gilbert made to infrastructure in Queensland. New for 2023, the award will recognise an individual for their outstanding career in infrastructure and for living up to the values Dale lived by. Finalists for this Award is selected by the lead judges from the award judging panels.
- **Project of the Year Over \$100M** – This award recognises the best project delivered over \$100m in Queensland and should showcase design and delivery.
- **Project of the Year Under \$100M**–This award recognises the best project delivered under \$100m in Queensland and should showcase design and delivery.
- **Technology and Innovation** – This award celebrates the use of innovation in the construction sector and is suitable for initiatives that demonstrate technological innovations as well as digital initiatives that support productivity and collaboration.
- **Construction Professional of the Year Award** – This award highlights who has advanced our sector through their leadership and commitment to the values that we share.
- **Emerging Professional of the Year Award** – This award recognises an individual who has made an impact during the early stage of their construction career regardless of age or past career.
- **Sustainability and Community Award** –This award highlights sustainability and/or community and stakeholder engagement in construction. This category includes developments in commercial and contractual sustainability, infrastructure design and environmental and material use, community programs, local content initiatives and workforce engagement programs.
