ABOUT US

The Queensland Major Contractors Association (QMCA) is the leading peak body for the construction industry, representing Queensland's foremost construction companies, their essential partners, and suppliers. Our mission is to elevate the infrastructure industry, ensuring it is safer, more efficient, and more competitive, thereby enhancing Queensland's and Australia's development.

WHY QMCA?

At QMCA, we are committed to driving excellence within the infrastructure sector. Our current membership comprises the top-performing construction companies in Queensland, collectively responsible for 70-80% of the State's construction and civil engineering work. By joining QMCA, you align yourself with the industry's best, positioning your company at the forefront of innovation and progress.

THE IMPACT OF OUR MEMBERS

Queensland's construction contractors are integral to the community, developing the infrastructure that supports a dynamic economy and contemporary lifestyles. Their work impacts every household and business, underpinning the State's growth and prosperity. As one of Queensland's largest employers, the construction industry employs nearly a quarter of a million people, with our world-leading contractors exporting technical excellence globally.

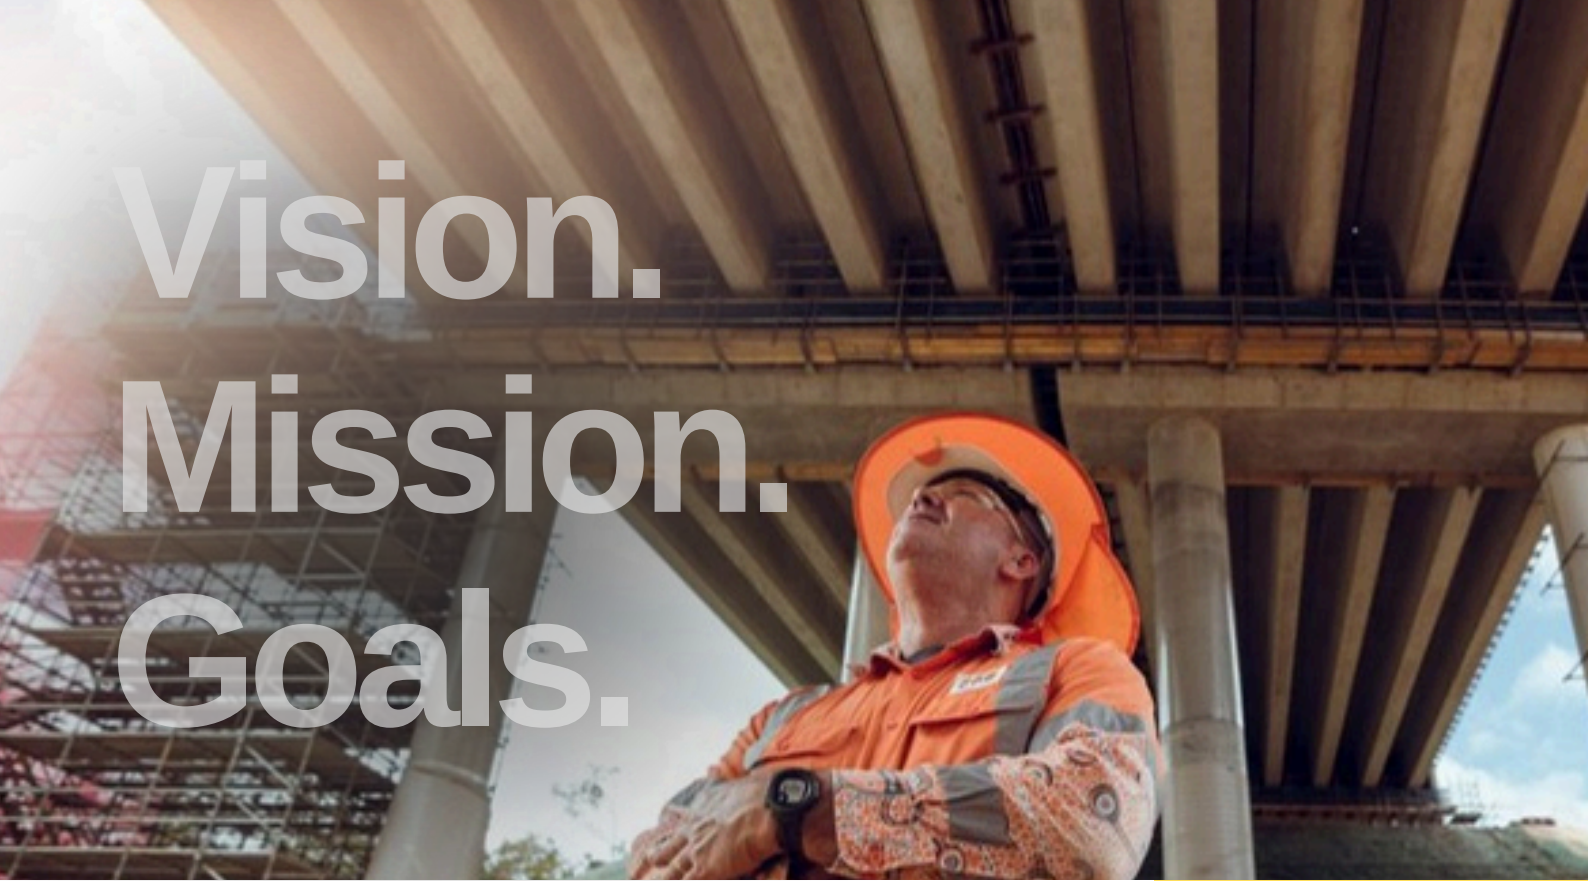

OUR ROLE AND ADVOCACY

The QMCA maintains an active engagement program that advocates for key issues relevant to the sector with key clients and stakeholders. Crucial in representing members' interests in policy talks, inquiries, and government initiatives, our advocacy ensures the industry's voice is prioritised, helping shape balanced policies and better outcomes for all. We interact with all levels of government to support infrastructure and serve on steering committees, regularly producing reports and papers through our working groups. Joining QMCA offers a strong partnership in navigating complex regulations, gaining a competitive edge, and shaping the industry's future.

OUR PURPOSE AND VISION

OUR PURPOSE IS: Shaping the future of the Construction Industry for Queensland

OUR VISION IS TO CREATE: A safe, attractive and rewarding industry

Vision.
Mission.
Goals.

STRATEGIC PRIORITIES

Our activities are guided by our Strategic Plan, which is a response to the challenges that the Queensland construction industry faces in the next 3–5 years and takes into account our potential strengths as an organisation, as well as the areas where we need to improve our capabilities.

The QMCA is a strong industry voice on construction issues and a promoter of the industry's professionalism and growth. Our key priorities are to:

- Become the trusted voice to advocate for and promote our industry. Consistent, Balanced, Sustainable.
- Effective and targeted engagement with all our stakeholders and industry partners.
- Actively working to support resource capability and capacity in industry. Now and into the future.

Key Activities

QMCA exists to support, advocate and champion the needs of our members in Queensland and to create a competitive and sustainable industry that delivers essential infrastructure needed by Queensland to support economic and societal well-being.

WORKING GROUPS

QMCA's working groups exist to help shape policy and analyse the critical issues important to our sector. Headed by a member of the QMCA board and drawn from our membership base, groups meet regularly to help drive our organisation's advocacy agenda. Working groups include:

- Sustainability
- Industry Culture
- Safety
- Industrial Relations
- Technology & Innovation

NETWORKING AND INDUSTRY EVENTS

QMCA has a packed events program to educate, inform and inspire our members while providing fantastic opportunities to grow networks and make business connections. Our events range from Innovation & Excellence Awards, QMPPR Launch series, Roundtable lunches, and Breakfast events.

INITIATIVES

In addition to staying abreast of the latest in technology and trends, the QMCA proactively identifies and acts on challenges and opportunities in the sector. As a result, our working groups have developed valuable resources, including:

- Development of an Olympics Infrastructure white paper
- Development of a BPIC impacts paper
- Development of a hot weather policy

Milestone

CELEBRATING THE PROJECTS, PEOPLE AND PARTNERSHIPS THAT BUILT QUEENSLAND

30 Years of Shaping Infrastructure celebrates three decades of the Queensland Major Contractors Association (QMCA) and its member companies, whose expertise, innovation and commitment have helped deliver the infrastructure that keeps Queensland moving.

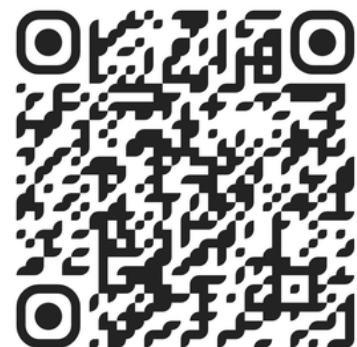

This commemorative publication showcases many of the landmark road, rail, energy, water and community infrastructure projects delivered across the past 30 years, highlights the industry leaders and advocates who have shaped Queensland's construction sector, and reflects on the key initiatives, milestones and achievements driven by the QMCA.

Rich with stories, insights and historical perspectives, 30 Years of Shaping Infrastructure is a tribute to the people, projects and partnerships that have helped build Queensland's future.
